Provincial Exhibition of Manitoba Launches New Website

With the 103rd Royal Manitoba Winter Fair quickly approaching, the Provincial Exhibition of Manitoba has revamped its website to provide information to families and patrons planning to attend the fair, as well as exhibitors and competitors.

“Our website has been redesigned to increase the ease of access to information about the Royal Manitoba Winter Fair and the other events planned by the Provincial Exhibition of Manitoba.” Says Karen Oliver, General Manager of the Provincial Exhibition of Manitoba.

“We have seen huge increases in the traffic to our site over the past few years, and our research tells us that it’s the preferred source of information for our patrons, so it is a priority for us to maintain a high quality website for our audiences. We have just recently posted a tentative schedule for the Royal Manitoba Winter Fair. We are also offering free child tickets that can be downloaded from the website, for children between the ages of 6 to 12.”

Admission for children under 6 years of age is always free at the Royal Manitoba Winter Fair.

People can explore the updated website at www.brandonfairs.com
